Message from "Baj"

Having already passed the half way point of the Kidsquash season, I am delighted to see the continued enthusiasm of kids and parents. We have conducted 8 sessions thus far and will conduct another 8 more, including a new friendly match with Cross Courts Juniors. The grand finale is our end of season tournament. Not only is this a great way for kids to test the skills they've accumulated over the year, but it is also an opportunity for us to raise funds for our continued growth. Please stay tuned for more.

Massachusetts Squash Grant

During mid-February of 2009, Massachusetts Squash, the state squash association made its second grant to Kidsquash. These funds will continue to sustain Kidsquash in its quest to strengthen and expand the program in the future. We are extremely grateful to Massachusetts Squash to provide us with this grant despite these challenging economic times. Thank you.

Friendly Match Report

On December 13, 2008, Kidsquash hosted its second annual friendly match with the Andover Youth Squash Association. Approximately 26 of kids from both teams participated in the round robin match. The Murr Center had a lively atmosphere with kids, parents and fans. A great time was had by all. Next year Kidsquash hopes to travel to North Andover to continue our friendly match tradition with Andover Youth Squash Association.

Kidsquash Student Profile

Maulik Limbachiya has been participating in Kidsquash for more than a year and half. He is a freshman at Wellesley Senior High School. Maulik first learned about Kidsquash through a friend who attended the program. Through his involvement with Kidsquash he has gone on to participate in the Complete Squash Camps at Harvard as well as volunteer for the 2008 Players Cup in Boston. In the future he would like to play squash in college.

Match with Cross Courts Juniors

On March 8th, 2009 Kidsquash will play a friendly match with Cross Courts Squash in Natick, MA. Please contact Tariq Mohammed as soon as possible and let him know if you are available to travel to Natick and play in the match. We are hoping to put together a team of about 10 players between the ages of 8 to 12 years old.

Kidsquash would like to thank Harvard's Men's and Women's Squash Team for their generous time and unwavering support. In addition we would like to thank Friends of Kidsquash who are recognized below.
